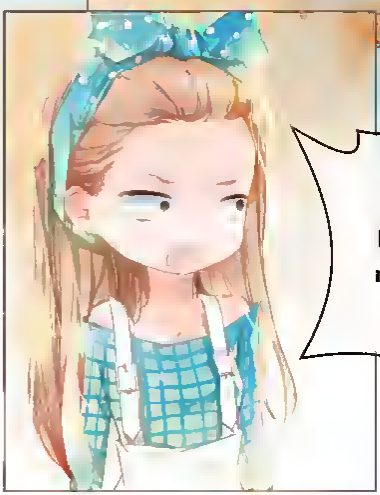
第四话
我…可以吗？

CHAPTER 4
CAN... I?

Yi Han! Where'd you run off to with my lipstick?



I'm right here! Honestly,,, You made me put it on crooked...

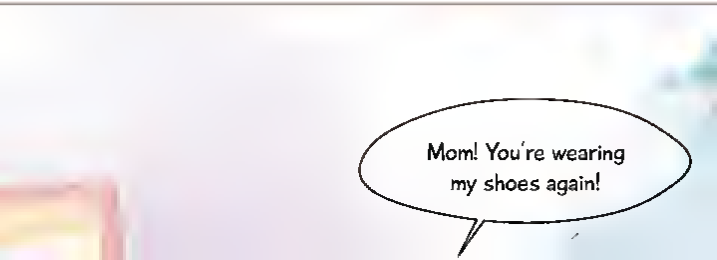
Why would a little troublemaker like you need makeup?
So annoying...

I can't get a wink of sleep...
Sis~ How does this outfit look?

Are you going out on a date?
A date? Have you forgotten that we're moving today?

We're only moving. Did you really need to dress up like that?
I swear, you're hopeless, you hikikomori!

Hurry up, you two! Has your sister gotten out of bed yet?



Mom! You're wearing my shoes again!

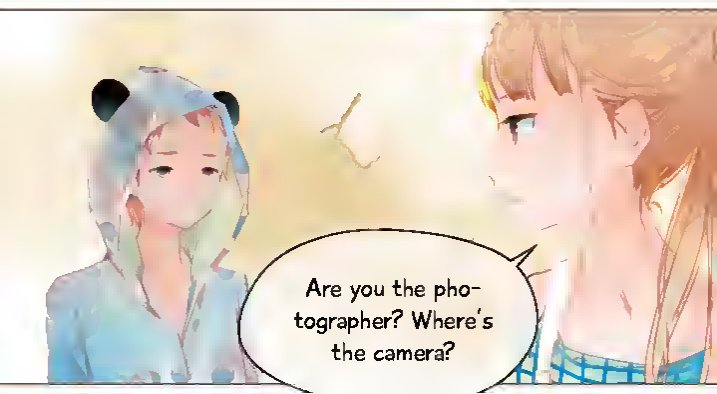
And who do you think bought those shoes for you?
I can't stand living with these two peacocks...

Hurry up and get ready. I have to go meet some customers today, so you two will have to go without me.

Ding Dong!

Hello, have you packed up your things...

Hmmm? There's a little bear cub..



Are you the photographer? Where's the camera?

Ah! Sorry, but this is one of our designers from our studio, Le Zheng Yu. Since the move isn't actually provided by the television program, there's no cameraman this time
Hmph! I even went out of my way to wear my new clothes...

Our things are over here.

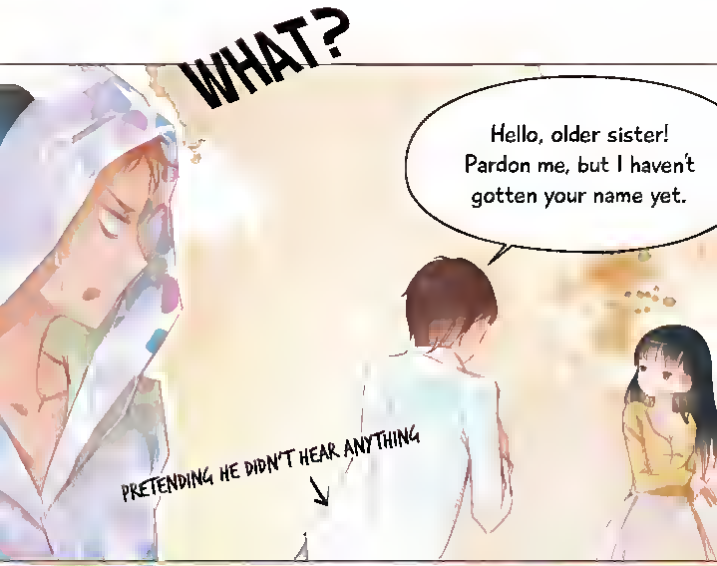
Messy

Do we... have to move all of this?

That's right, and you'd better be grateful that I went out of my way to throw away some of my old clothes in order to reduce your work

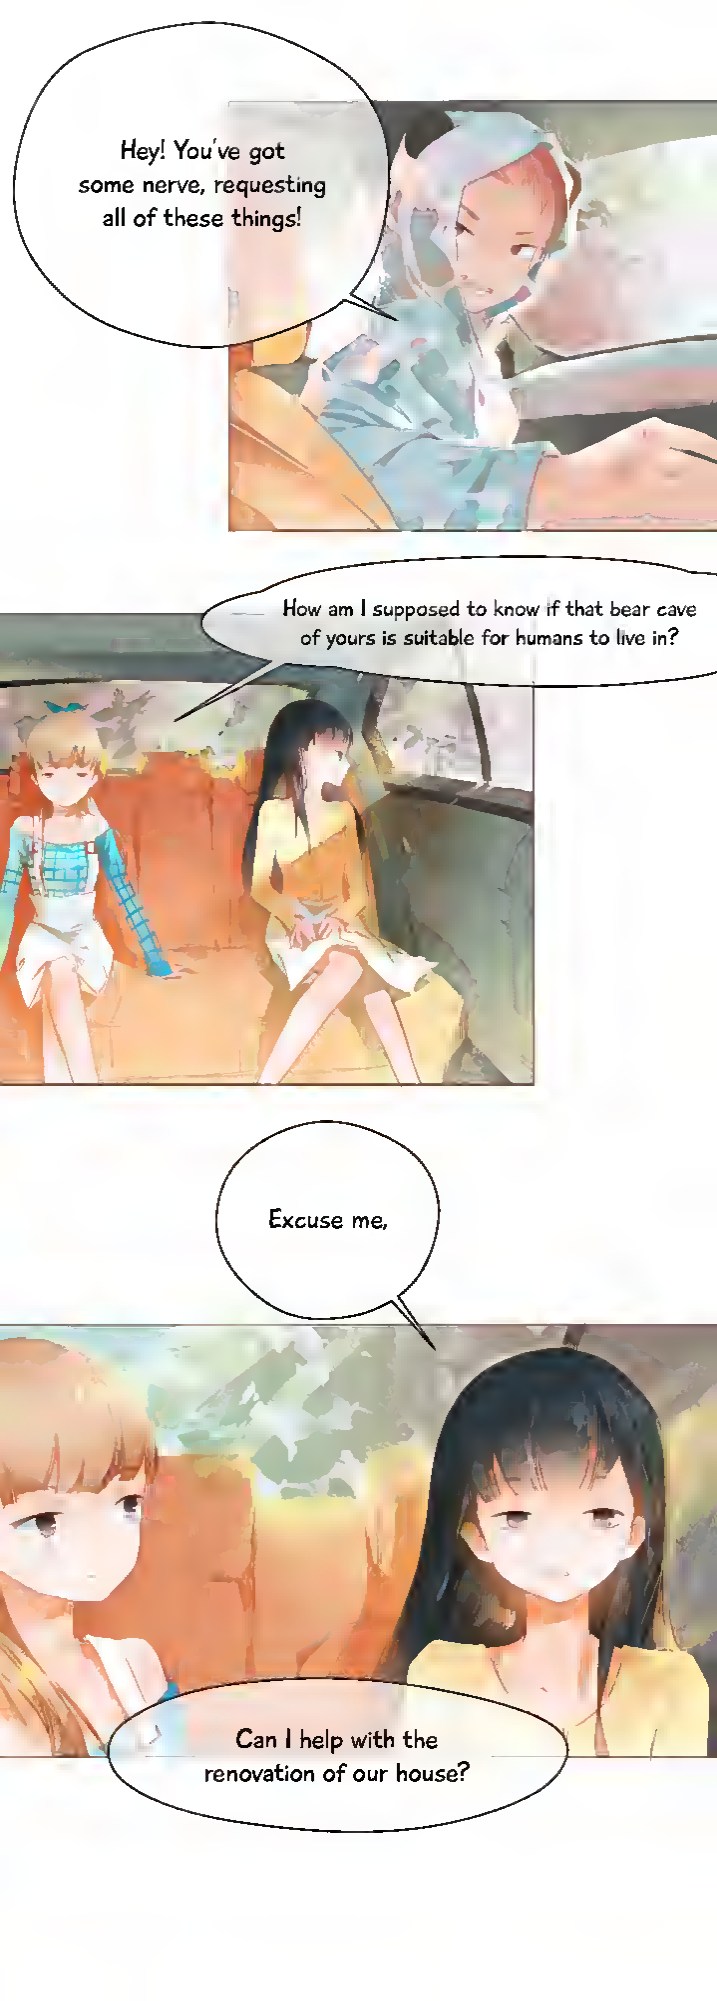
Dang, what on earth is in this box? It's so heavy!

My sister's paintings are in that box.
There are that many?
Boss, quit the chitchat! Help me out here! I can't hold this much longer!



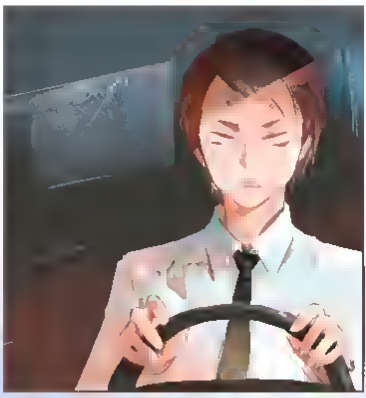
WHAT?
Hello, older sister! Pardon me, but I haven't gotten your name yet.
PRETENDING HE DIDN'T HEAR ANYTHING

Do you have a place to shower over there? Is there WiFi?



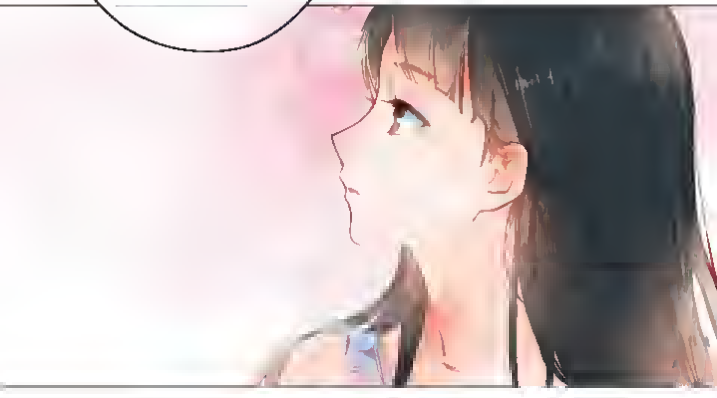
Hey! You've got some nerve, requesting all of these things!
How am I supposed to know if that bear cave of yours is suitable for humans to live in?
Excuse me,
Can I help with the renovation of our house?

Of course. You've have such good artistic talent, itd be a shame for you not to
Can... I?
You've finally realized~
You can! You definitely can! Look, if people like them can become interior designers, there's no way you won't be able to!



To be continued...

When... does this series update next week?



Sunday afternoon at 2:00! You're too forgetful, sis!

Forgetful?
